*Dear friend,
I am writing to you

Life — so they say
is but a game, and they
let it slip
away

LOVE — like the Autumn sun
should be dying but its only just begun.

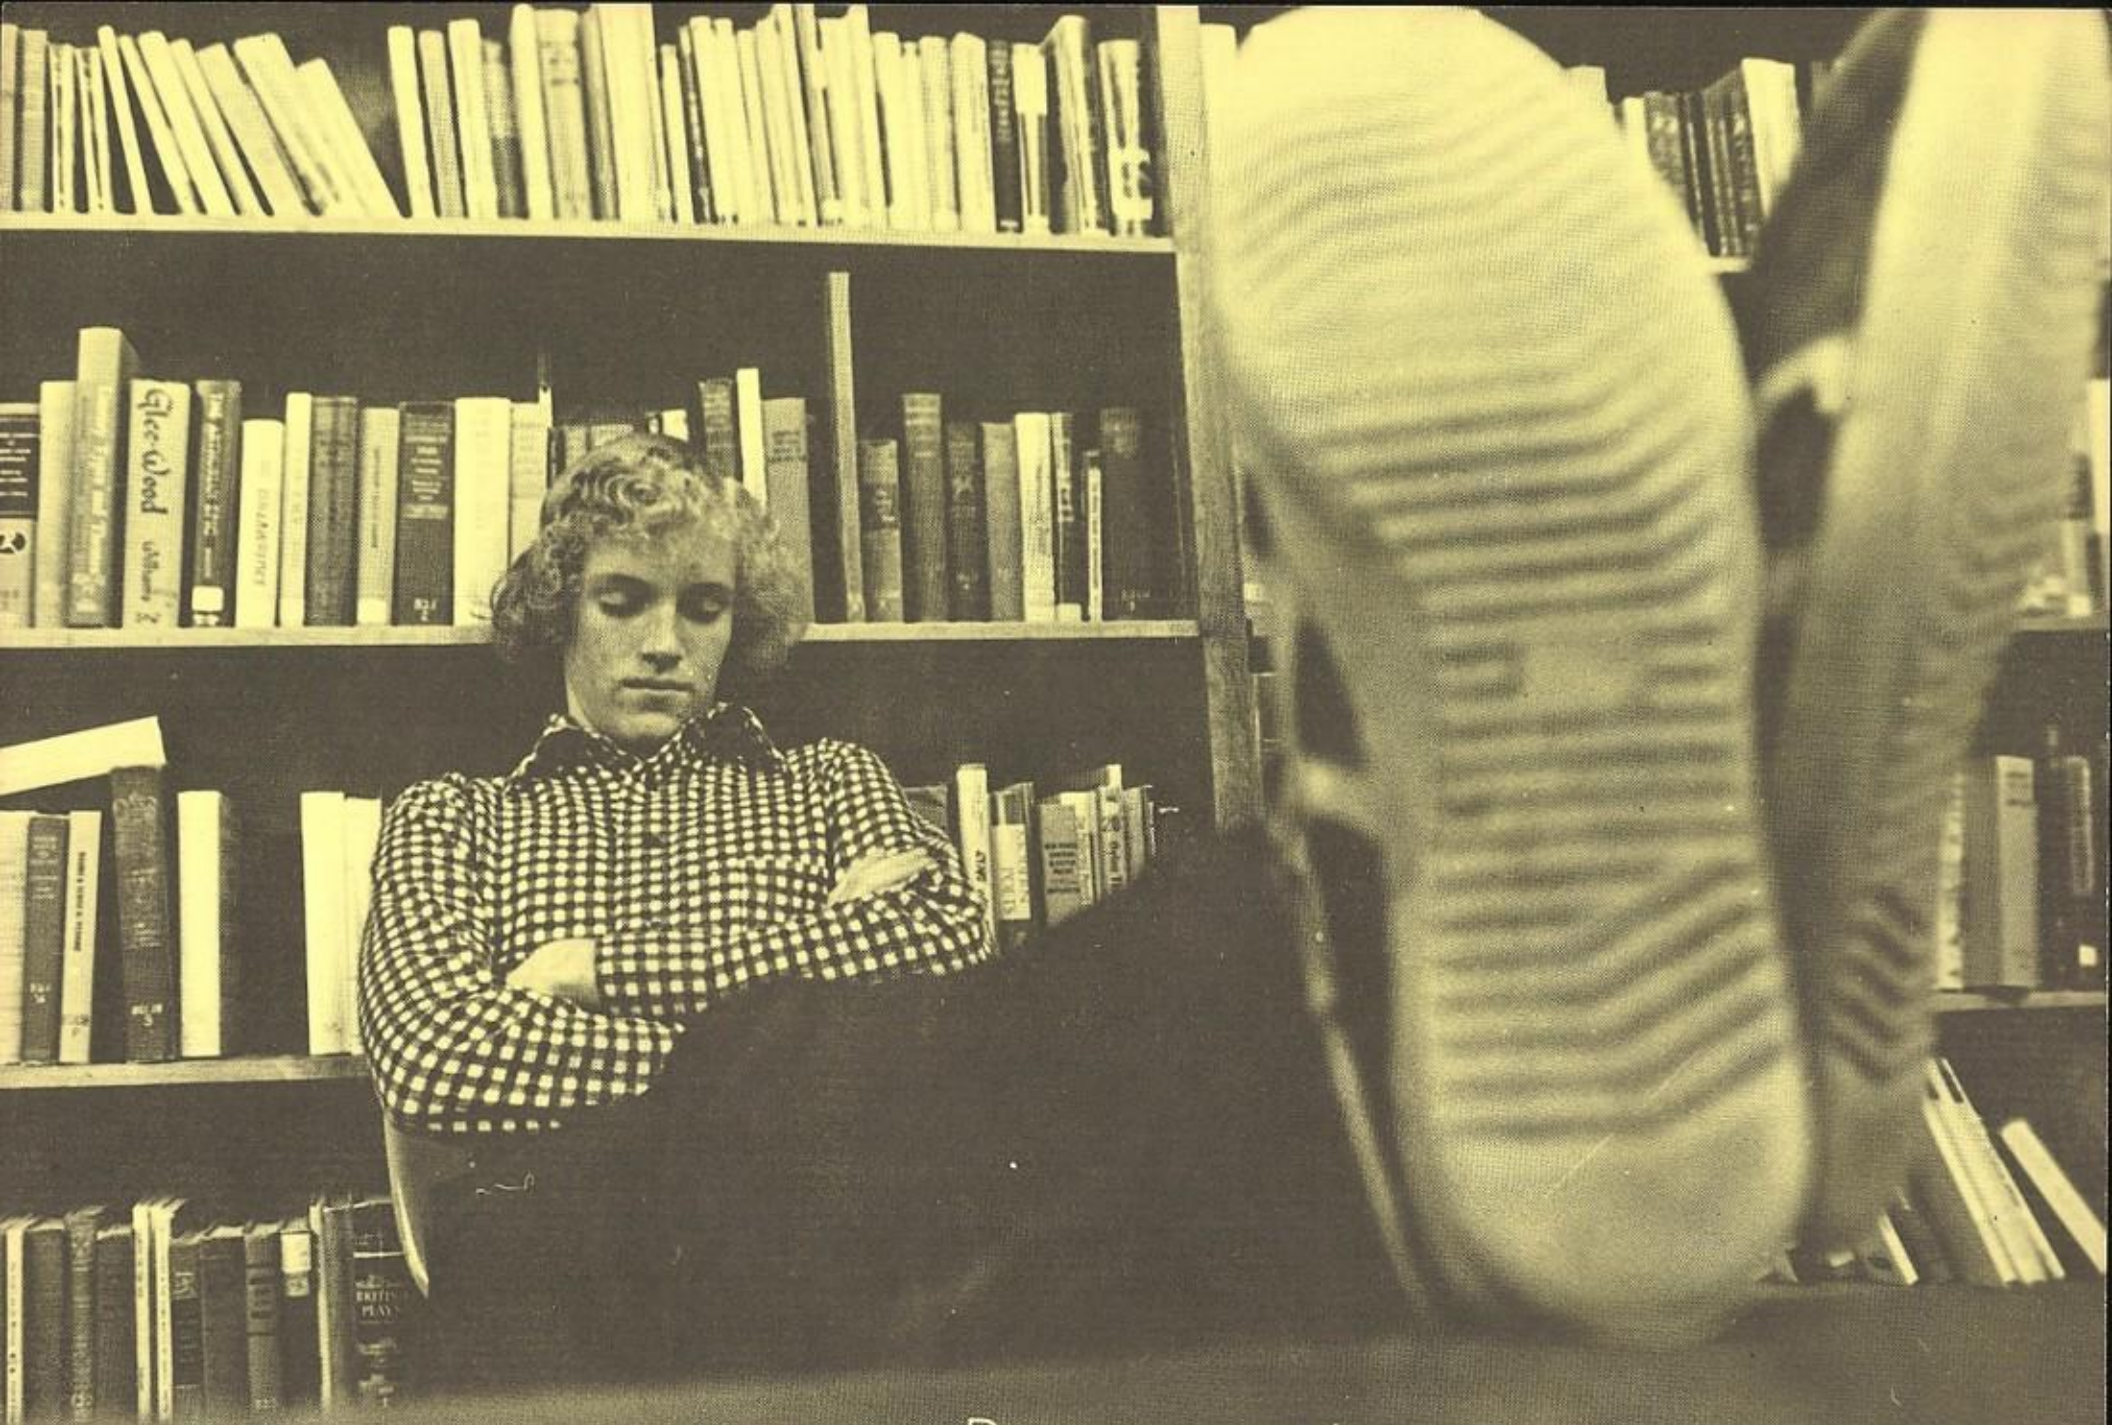

Like the twilight in the road up ahead
They don't see just where we're going
And all the secrets in the universe
Whisper in our ears, and all the years will come and go
And take us up — always up.

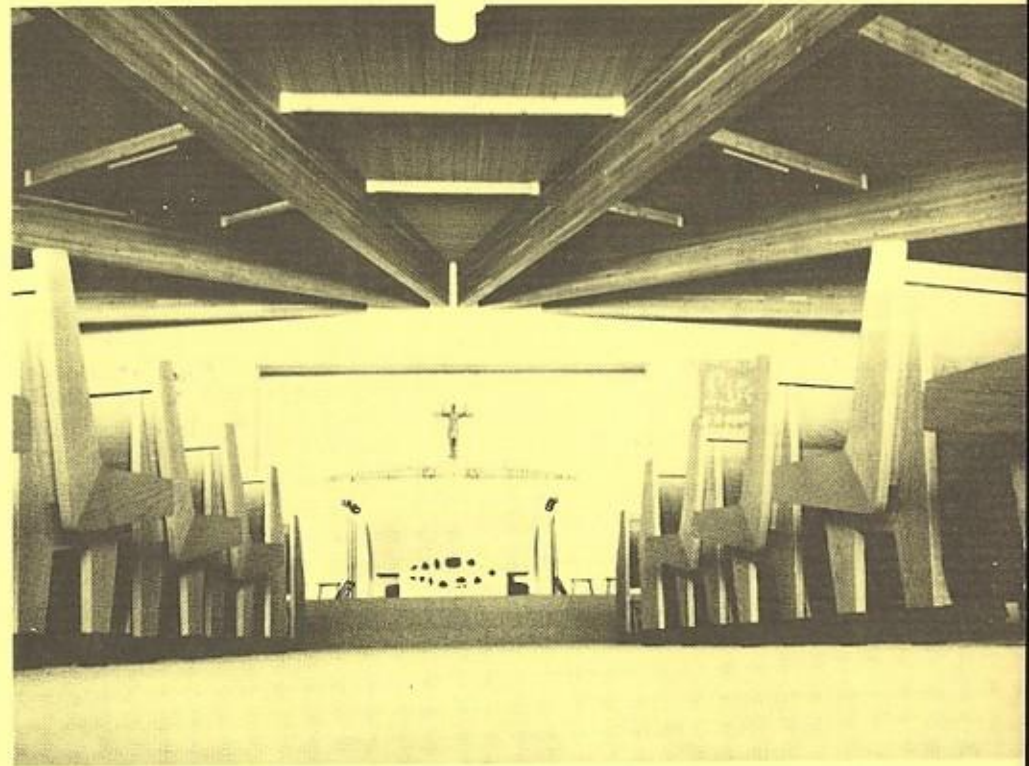

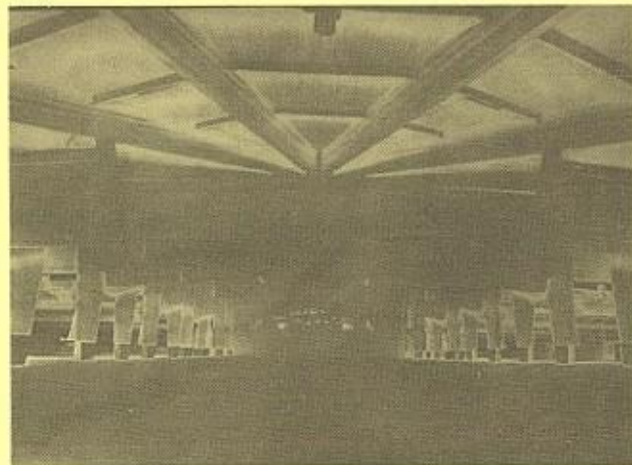

We may never
pass this way
again

Dreams — so they say
Are for those who will let them slip away

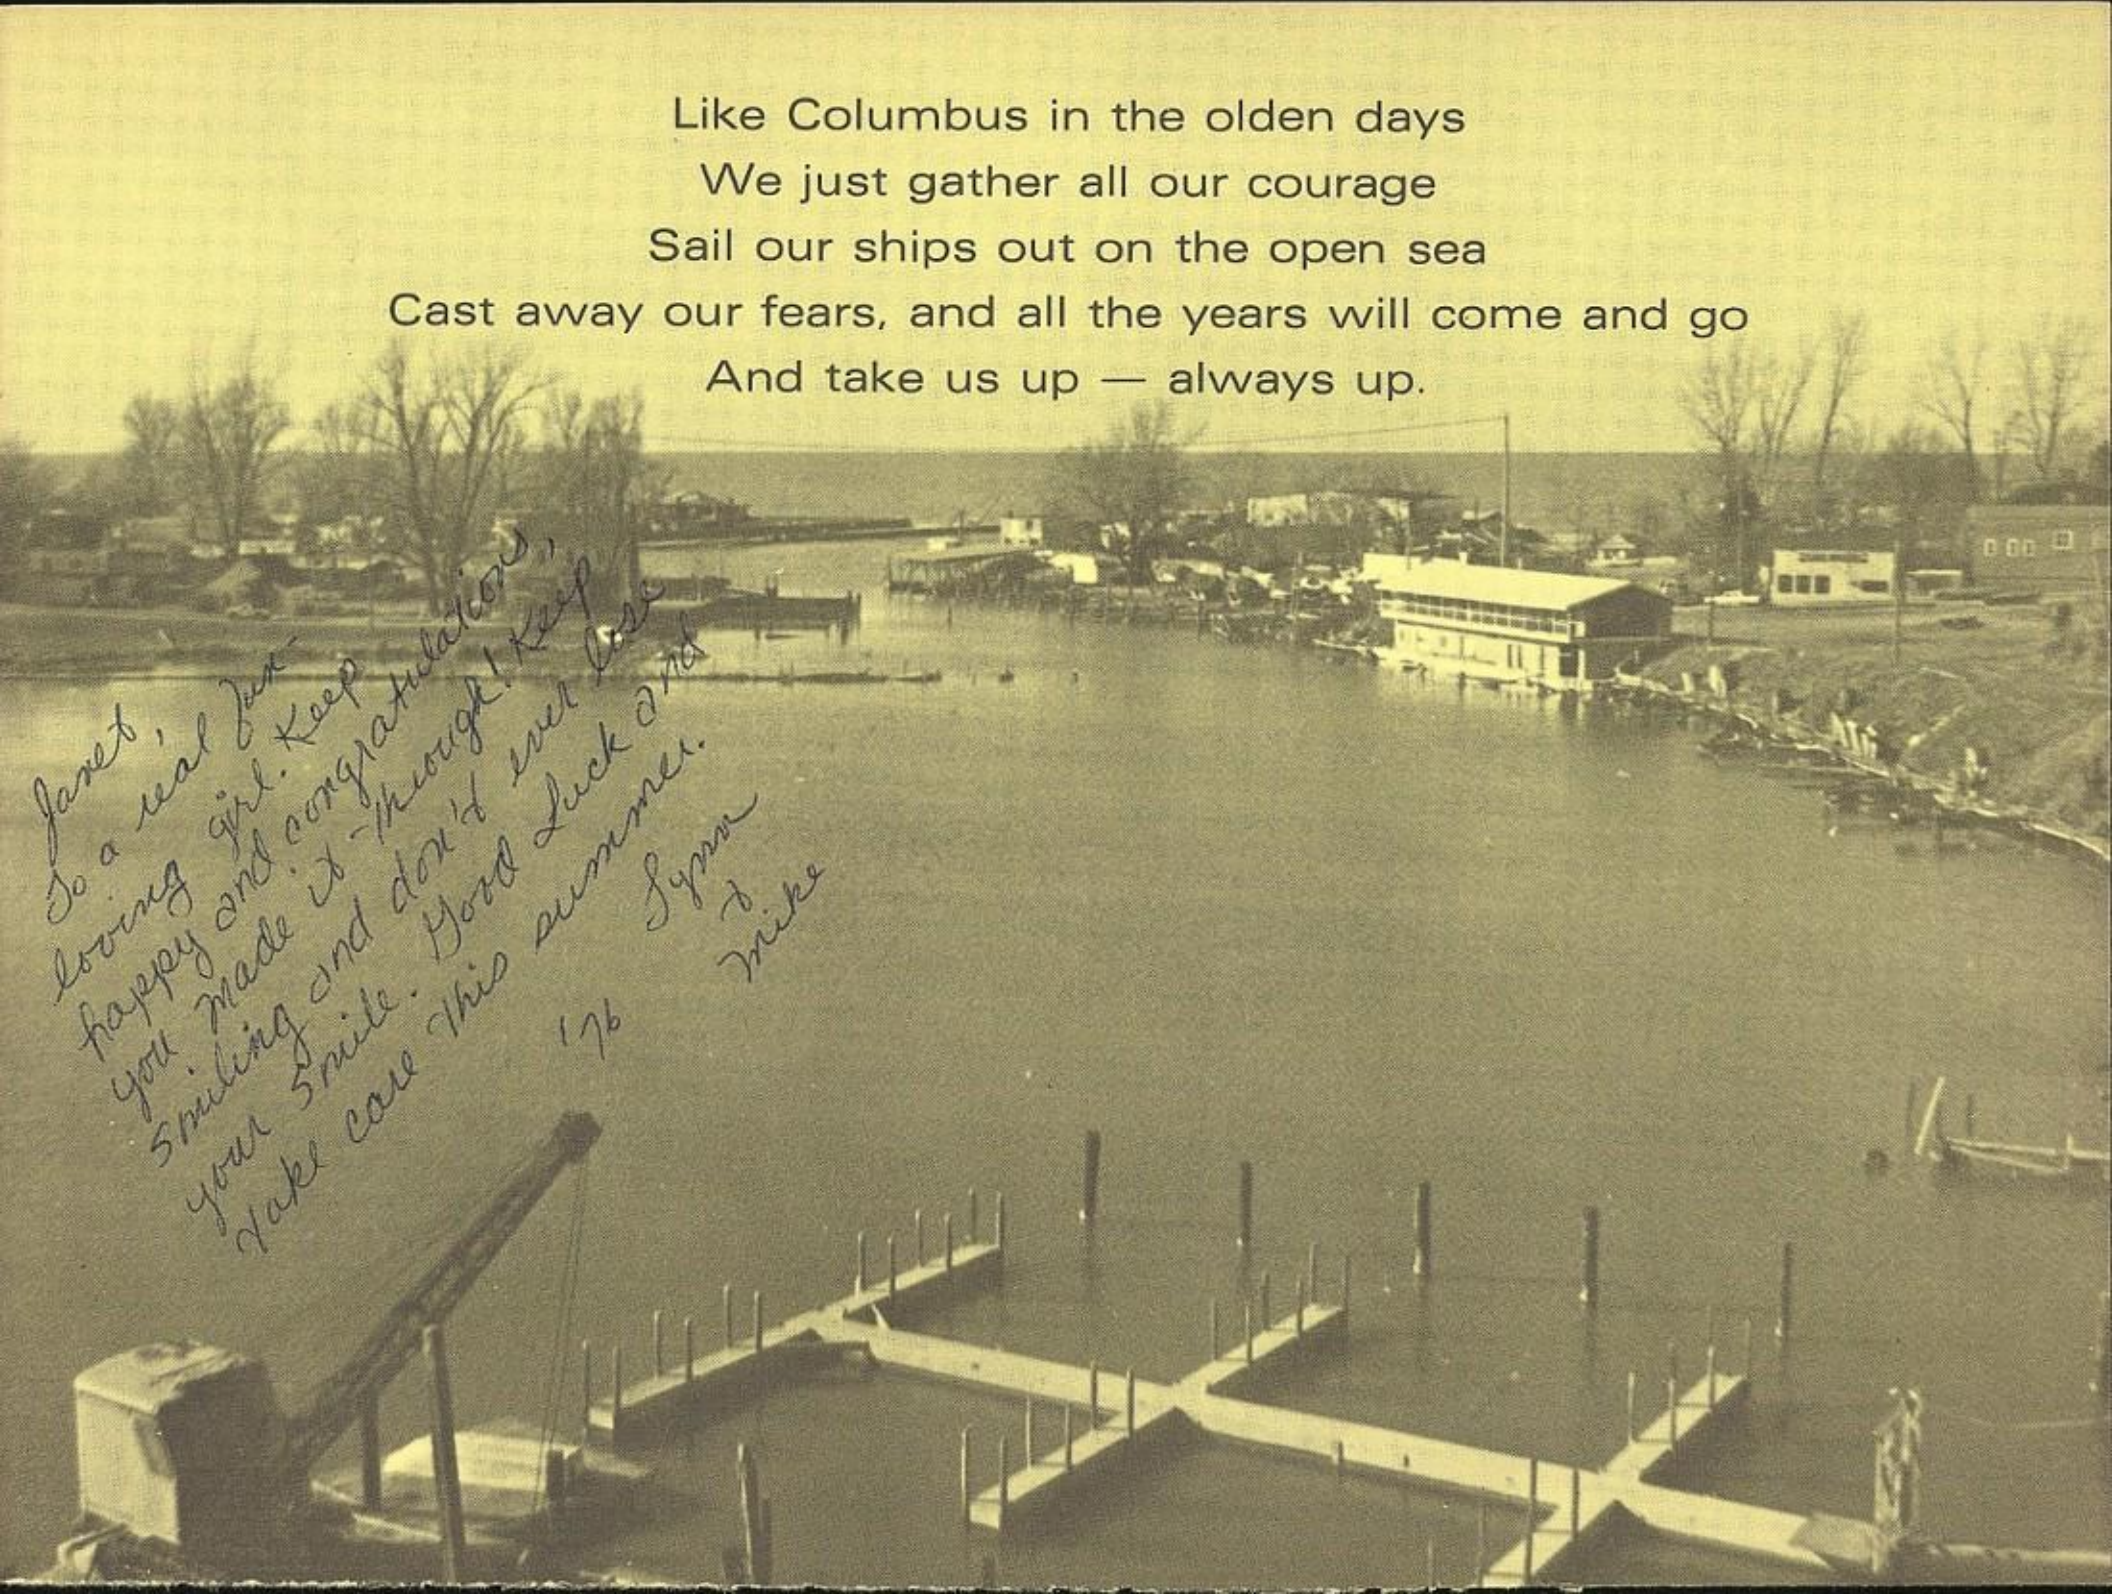

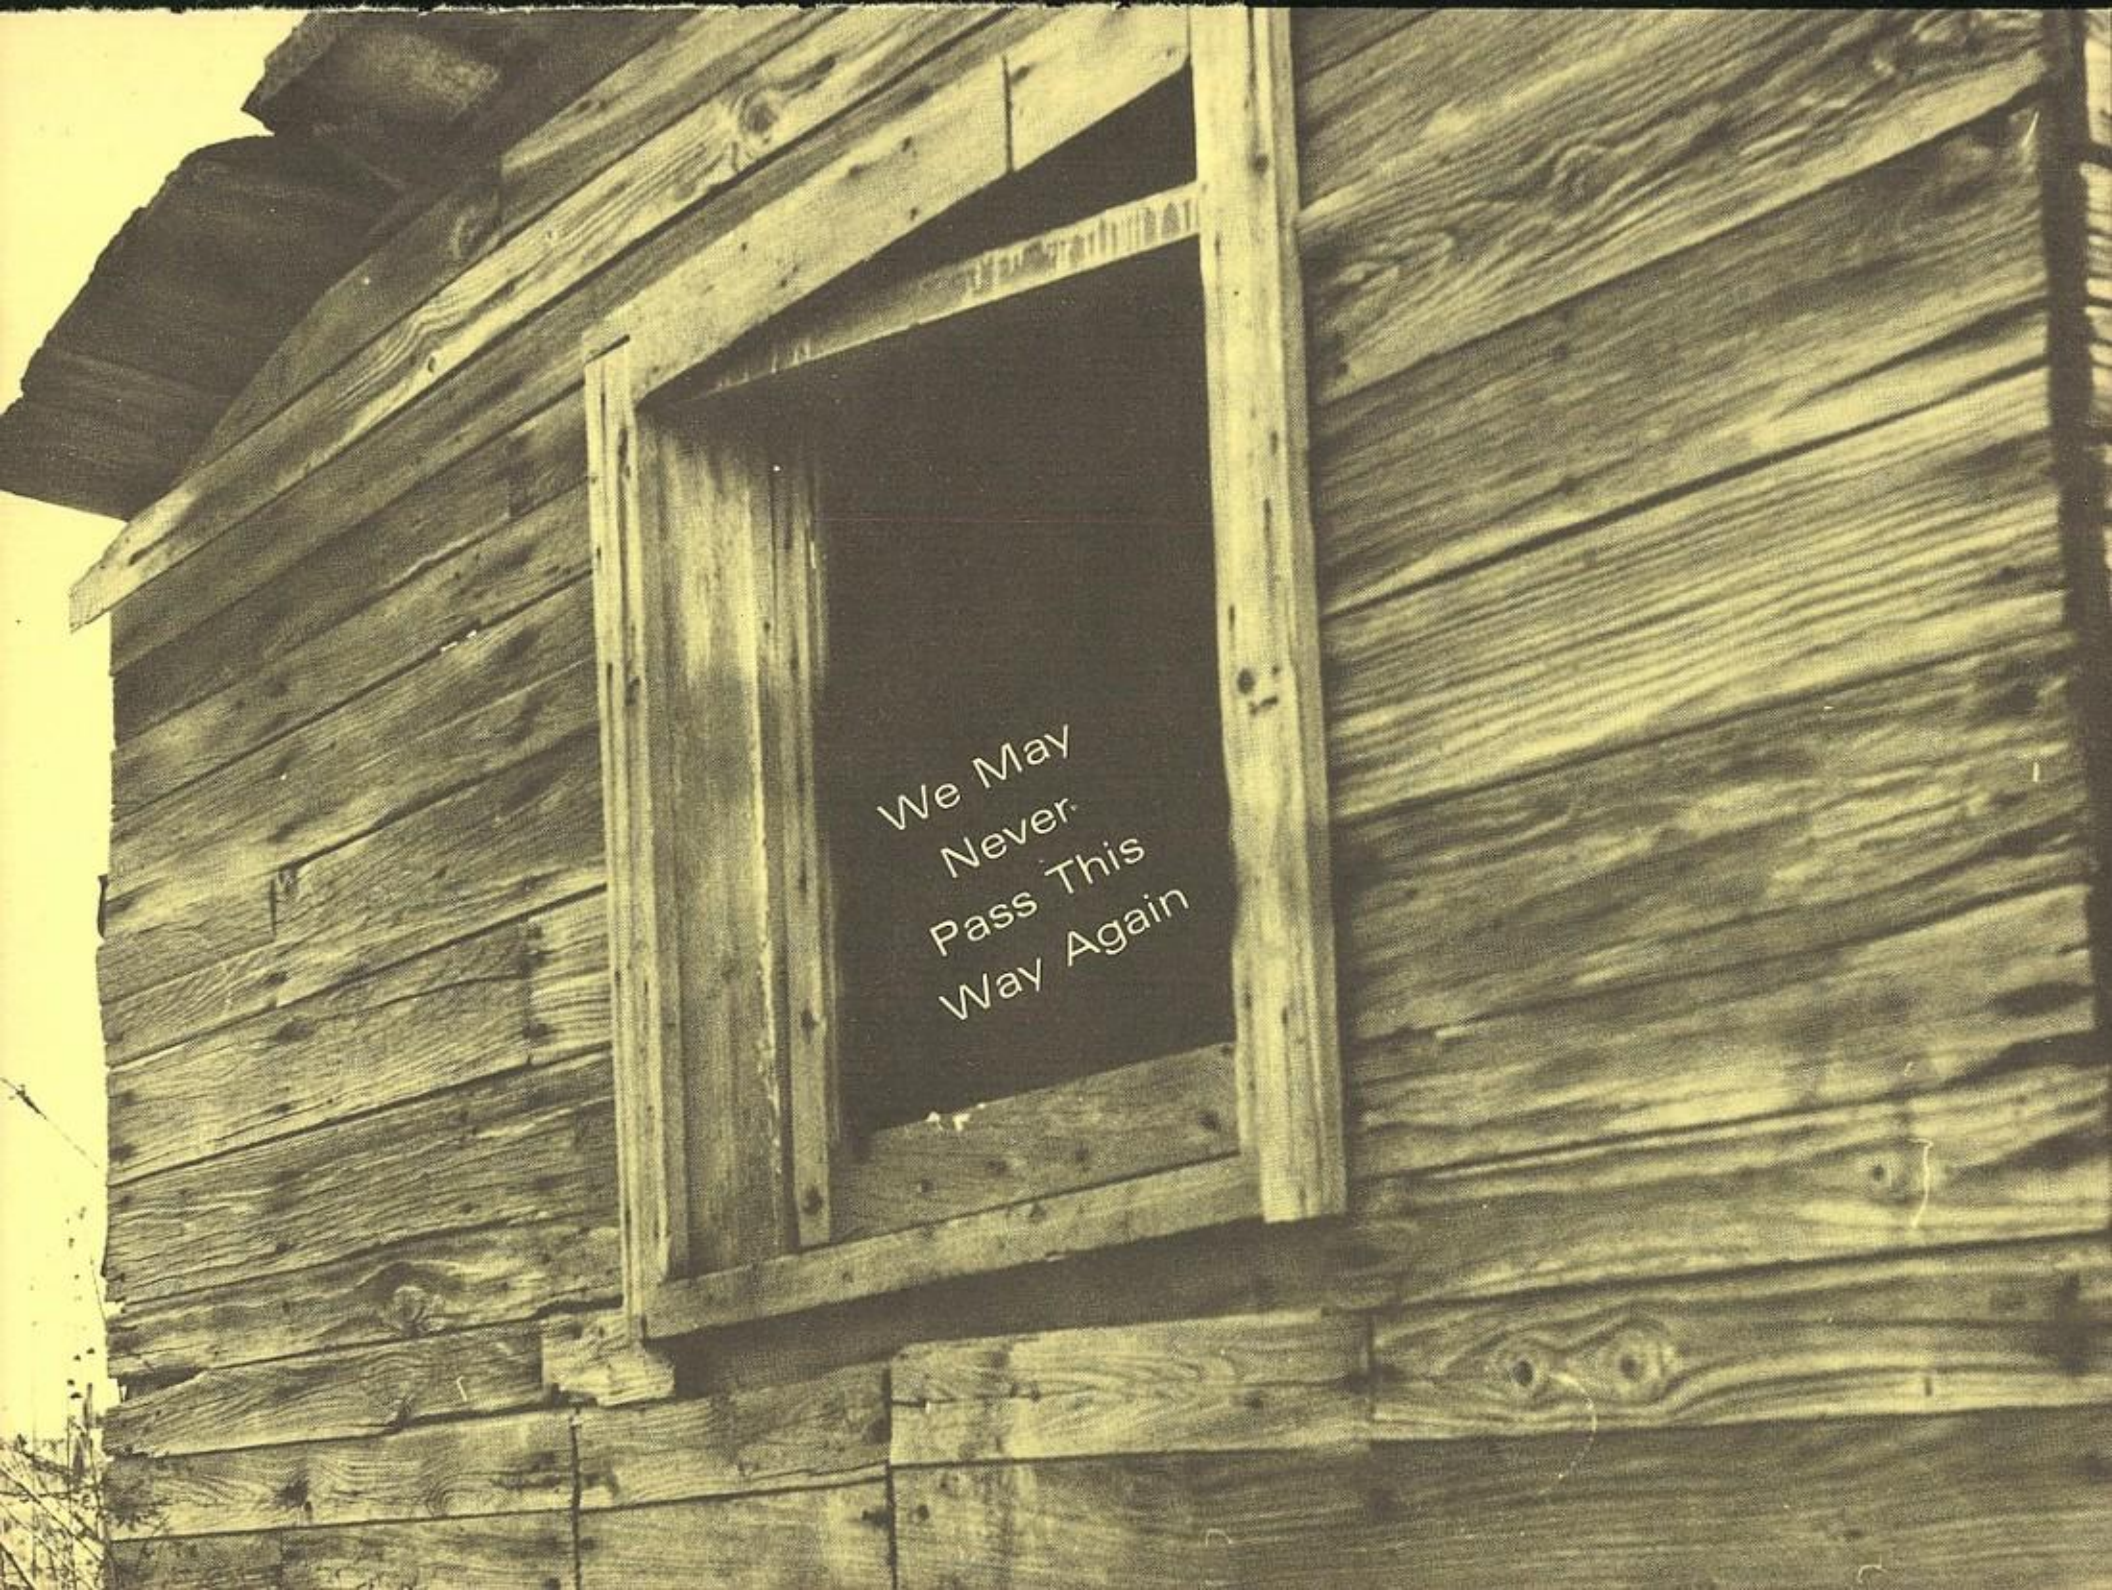

PEACE—

Like the silent dove, should be flying but its only just begun

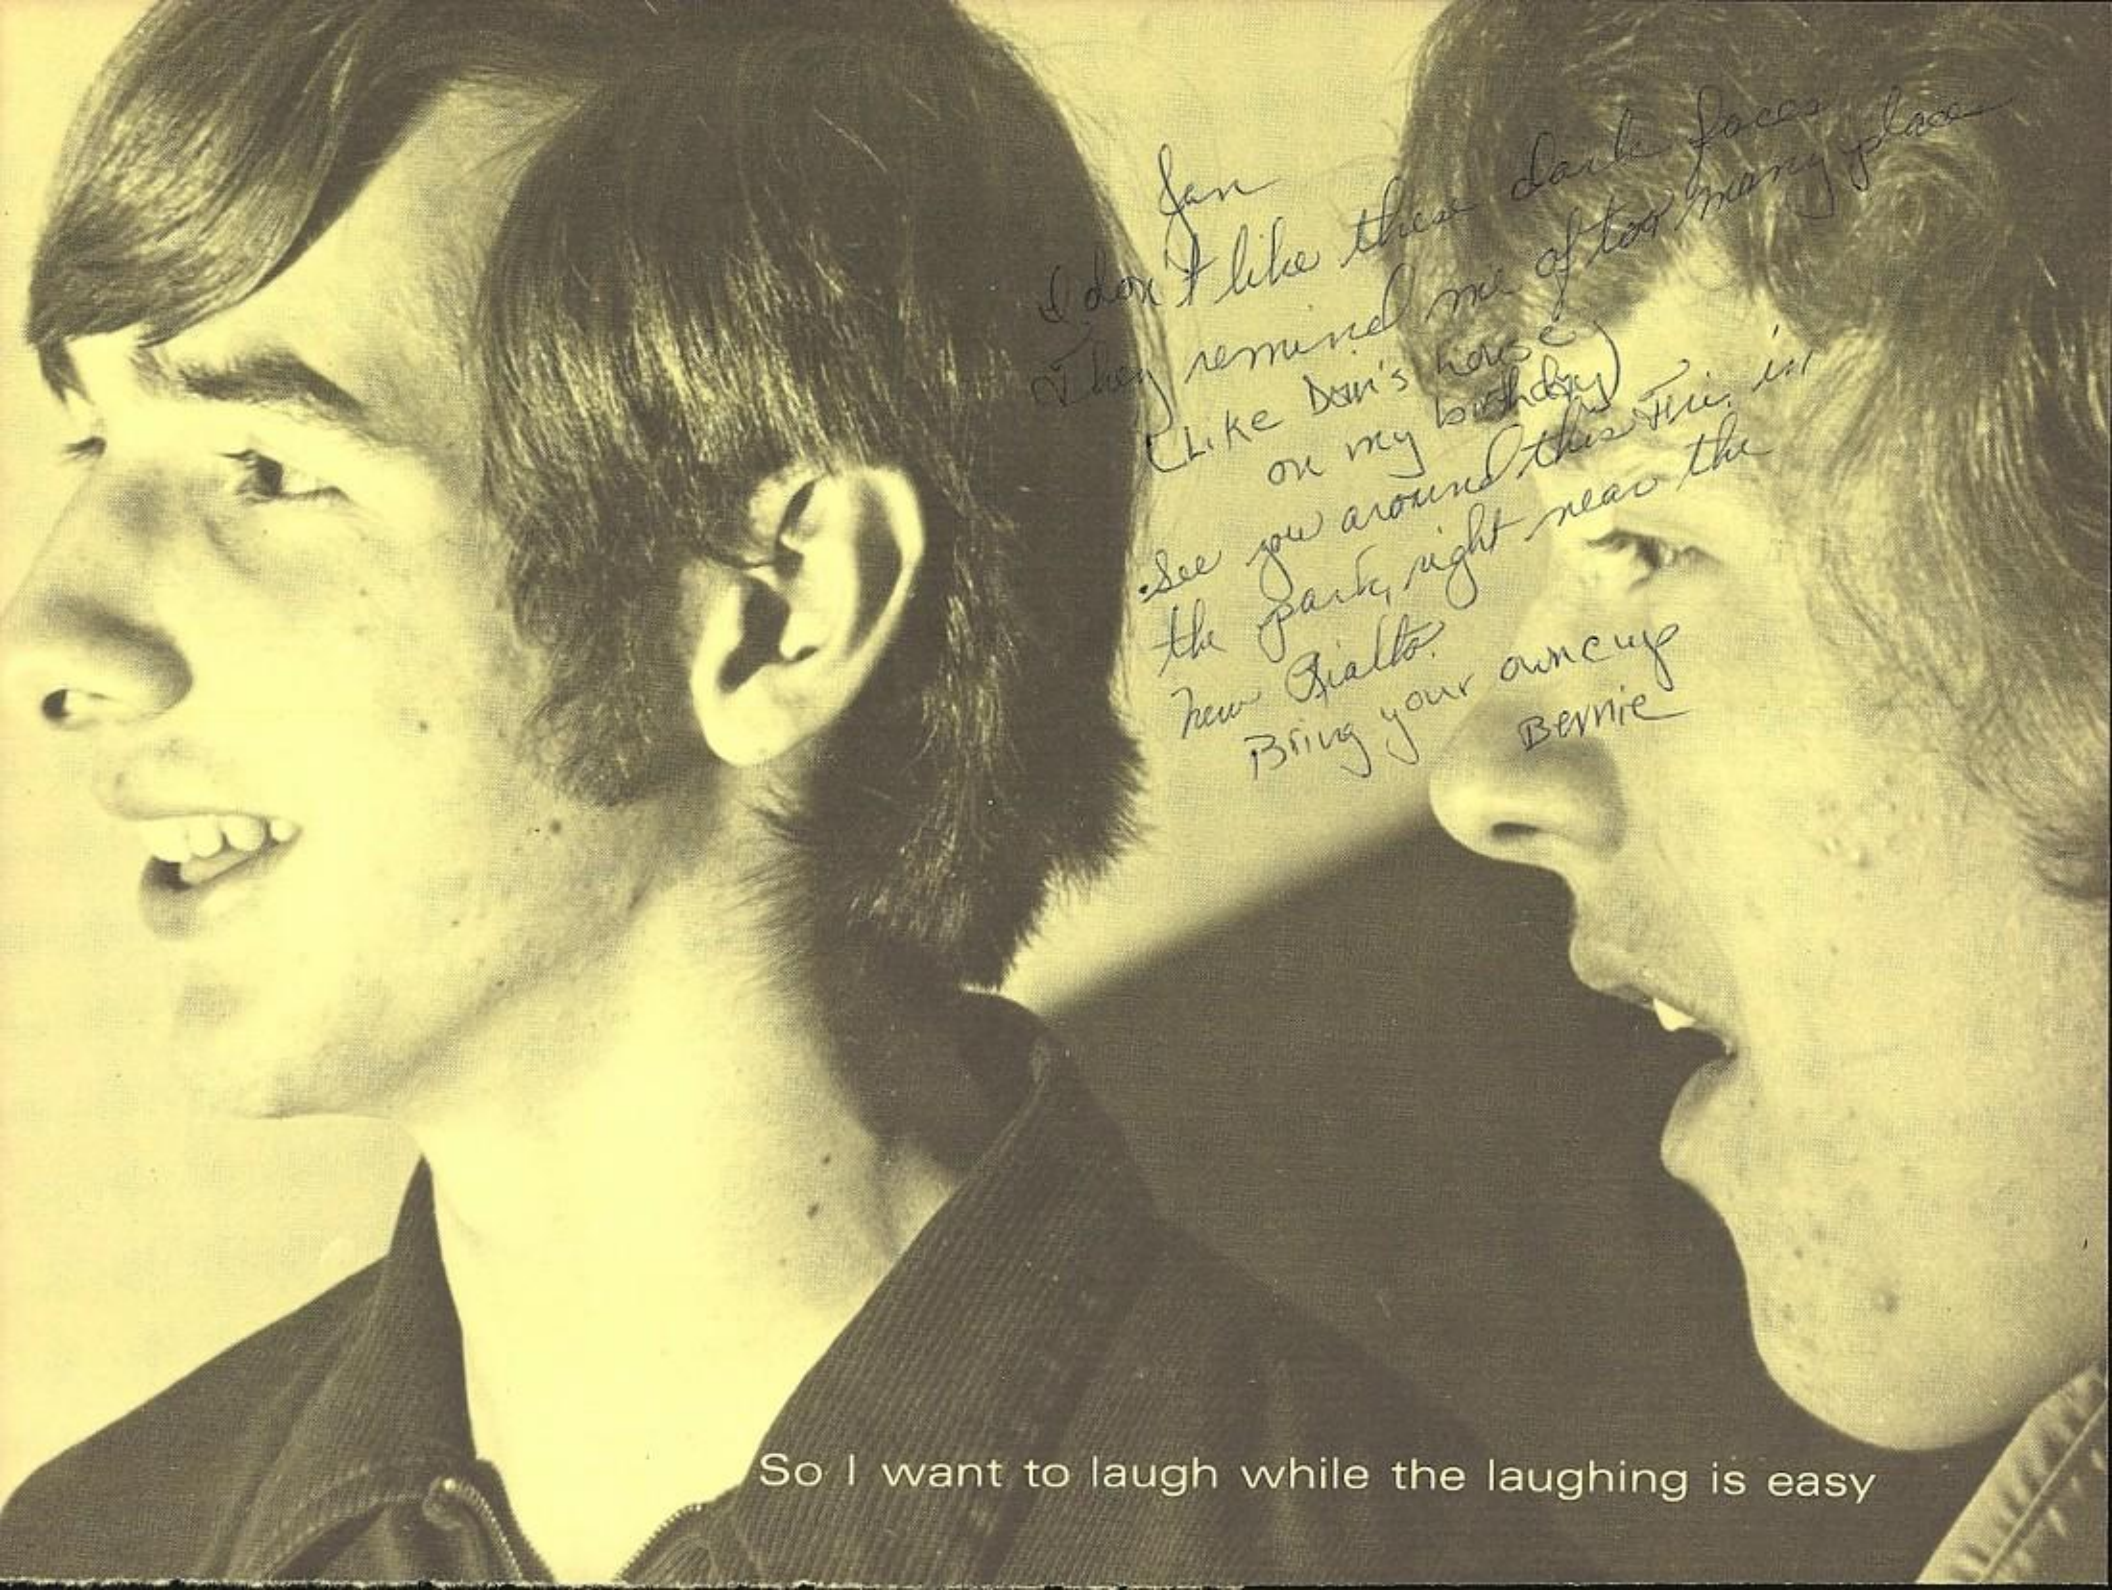

Like Columbus in the olden days
We just gather all our courage
Sail our ships out on the open sea
Cast away our fears, and all the years will come and go
And take us up — always up.

Janet,
To a real fun-
loving girl. Keep
happy and congratulations,
you made it through! Keep
smiling and don't ever lose
your smile. Good Luck and
take care this summer.

A photograph of a weathered wooden building with horizontal planks. A rectangular window frame is set into the wall. Inside the frame, the text "We May Never Pass This Way Again" is written in white, slanted capital letters. The building's exterior shows signs of age and wear, with some missing siding and a rough roofline visible in the upper left.

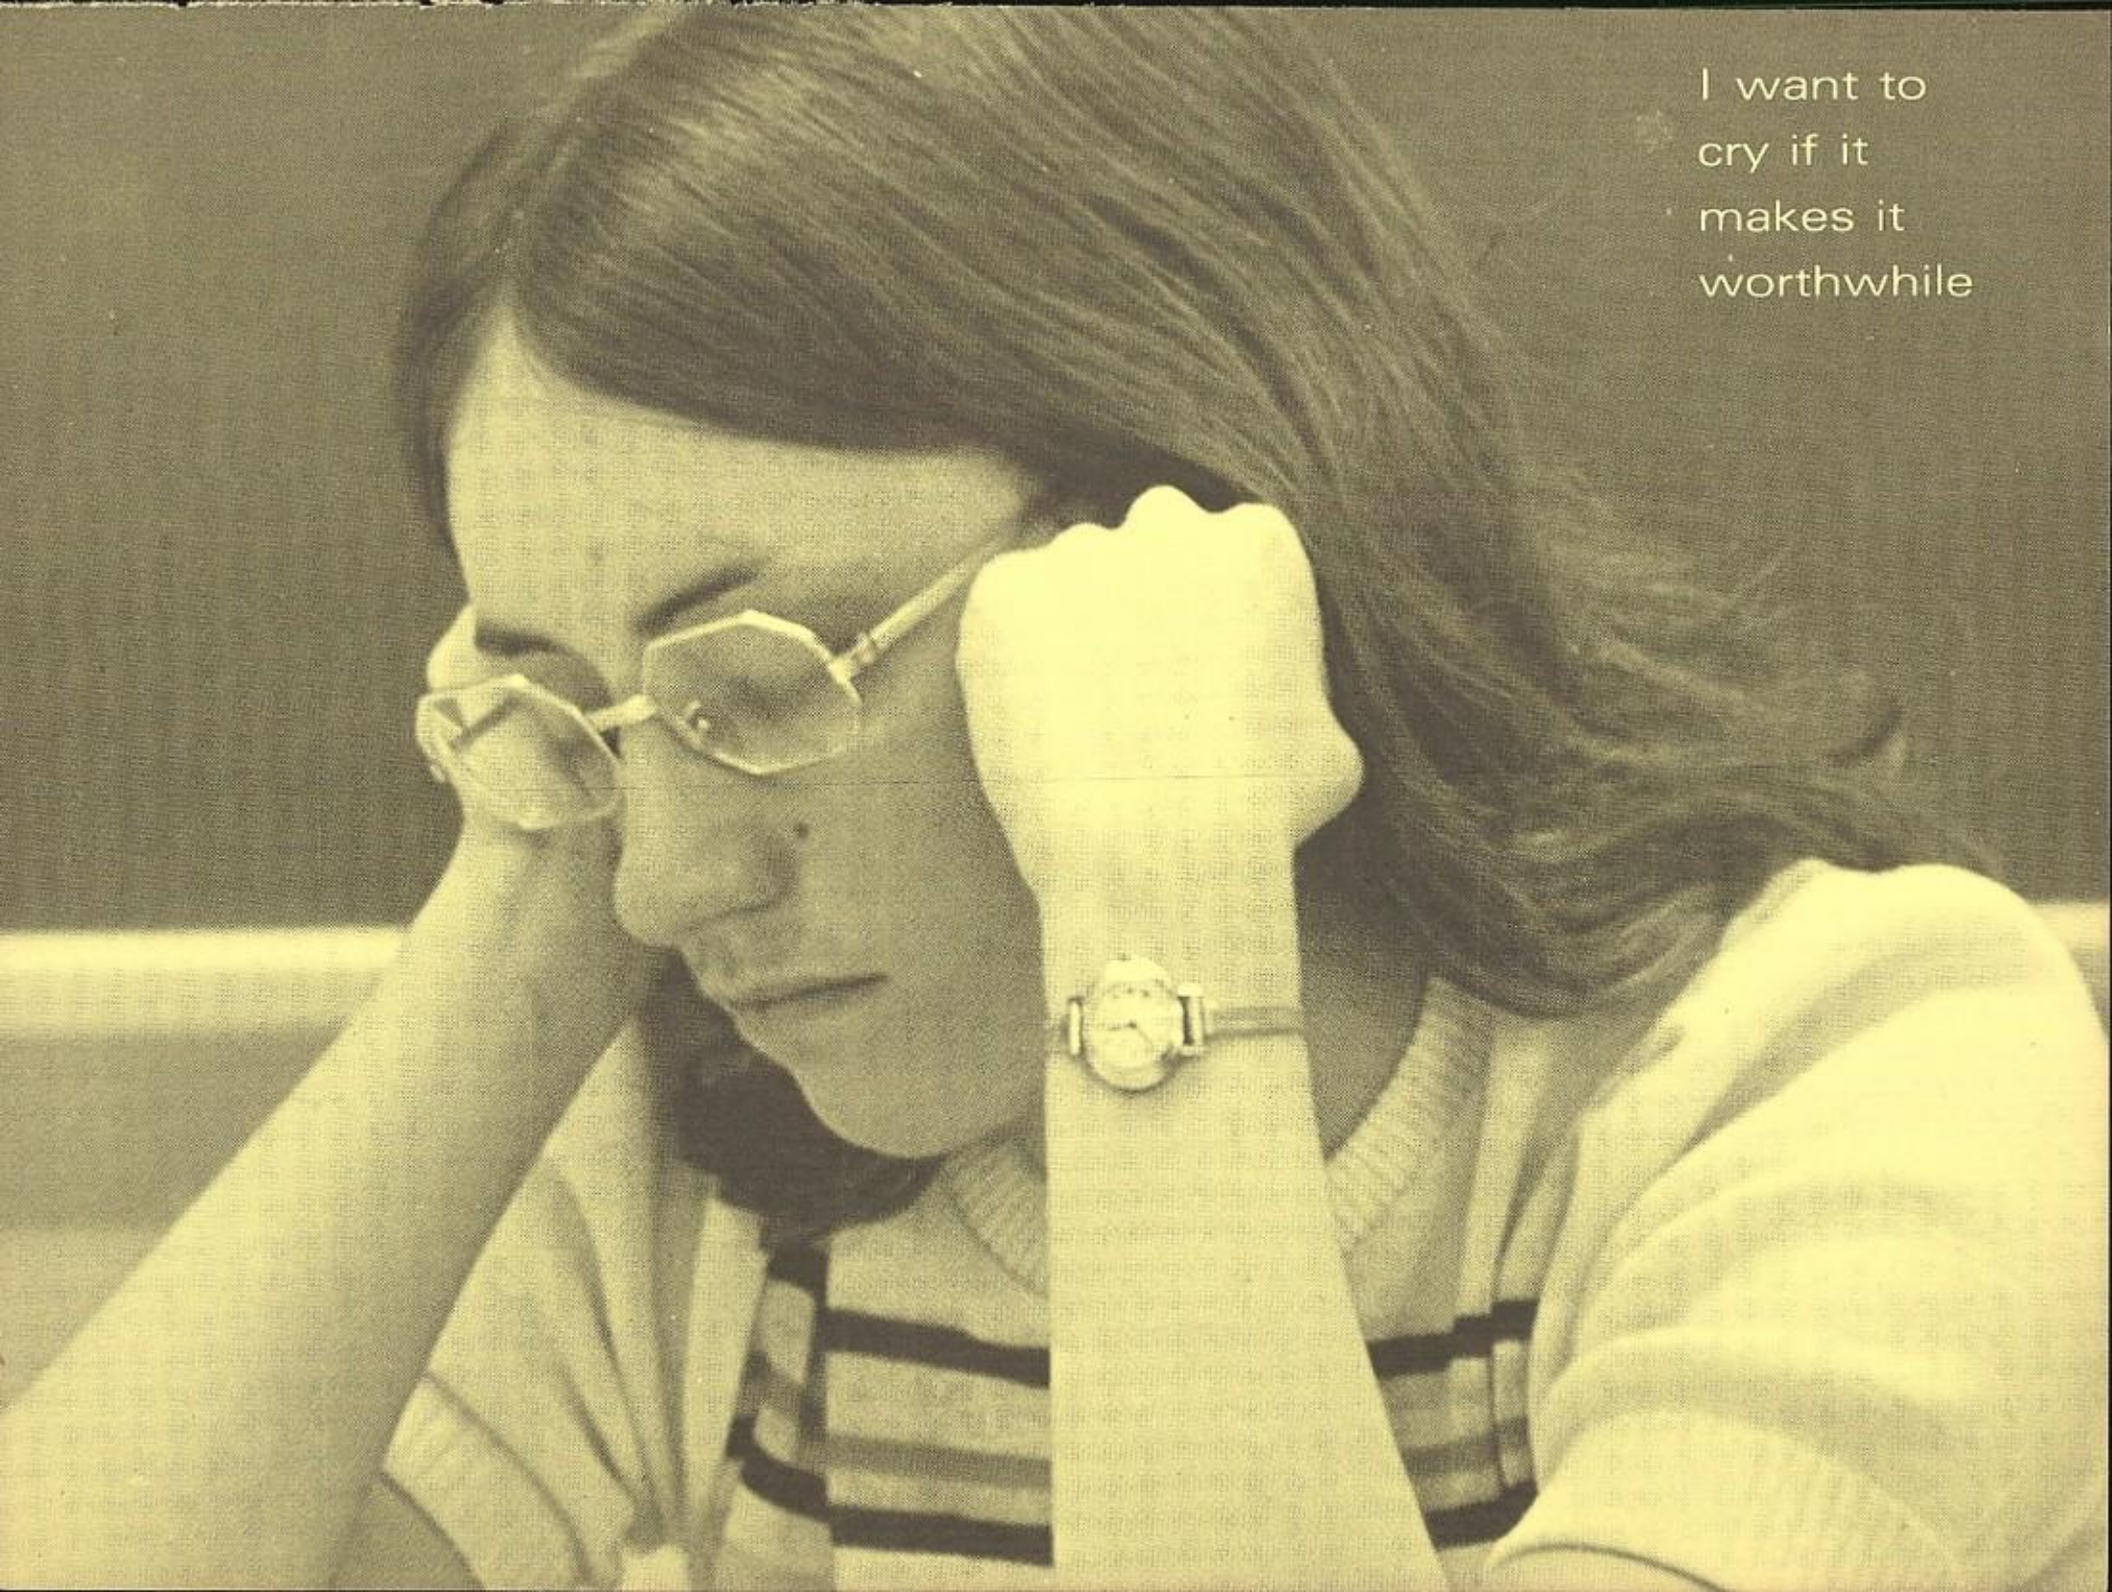

WE MAY
NEVER
PASS THIS
WAY AGAIN

Jan
I don't like these dark faces
They remind me of too many places
Like Don's house
on my birthday
See you around this time in
the park, right near the
new Gialto.
Bring your own cup
Bernie

So I want to laugh while the laughing is easy

I want to
cry if it
makes it
worthwhile

I may never pass
this way again.
That's why I
want it with
you

Janet
It was great
being in class with
you just as friends
and have a great
summer and take care
of your friends
Tom
&
Diane

Cause you
make me feel
like I'm more
than a friend . . .

Janet,
I had a lot of
fun this summer
and don't forget Dianne's
media class. I hope
that you always happy.
Good luck in the future.
Diane
&
Tom

goners
I am really
glad we got to
be good friends? I
really have enjoyed all
the different things we have
done. Thanks for being my
chauffer and putting up with me.
Good luck & happiness in everything
you do in life! Make sure we help in
touch and don't spend all your money on
drinks and your little old car. Watch out
for those boys! (and don't say which ones)

Love

(would you
like me to
put the rest
down?)

Like I'm on a journey and you're the journey's end.
I may never pass this way again
That's why I want it with you baby.

We may
never pass
this way
again
